

APPLICATION FOR International Society of Petroleum Engineers Western Wyoming Rock Springs Section 2025 SCHOLARSHIP AWARD

This Scholarship has been established by the Western Wyoming Rock Springs Section of the International Society of Petroleum Engineers in order to provide financial assistance to college students. The Scholarship committee will award scholarships in varying amounts based on the following criteria:

1. Preference is given to students enrolled in an accredited petroleum engineering program or other STEM (Science, Technology, Engineering, & Math) field supporting the energy industry.
2. Preference is given to students who have displayed academic achievement.
3. Preference is given to students participating in school activities and community involvement.
4. Preference is given to students at the University of Wyoming, Wyoming Community College system, or other college.
5. Preference is given to students residing in or from Western Wyoming.
6. Preference is given to applicants with economic necessity.

Applications should be completed and emailed to:

**BJ Cox @ bjcox@gmtexploration.com
Subject: SPE Scholarship Application - [Your Name]**

ALL APPLICATIONS MUST INCLUDE THE FOLLOWING:

1. Completed application form.
2. Transcripts showing high school and college credit, as well as SAT/ACT scores. Students currently enrolled in college must include all college transcripts showing grades from each school attended. Students who have completed less than one full semester of postsecondary education must include a high school transcript.
3. Proof of enrollment.
4. Three letters of recommendation.

All of the items above (including the letters of recommendation) must be received by the application deadline, *July 1st, 2025*. No extensions will be granted. Incomplete applications will not be considered.
